## TAO BOUTIQUE CONDOS — FIRE PREVENTION SEMINAR FOR RESIDENTS

Residents at Tao Boutique Condos recently participated in a fire prevention seminar held by Richmond Hill Fire & Emergency Services. In this informative session residents learned: the importance of escape planning; what to do if you discover a fire; what to do when you hear a fire alarm in your building; what to do if you encounter smoke in the hallway/stairwell; is it safer to go or stay?; what to do to protect yourself if you decide to stay in your apartment; the importance of working smoke alarms and carbon monoxide detectors; and how to eliminate fire hazards in your apartment. Thank you to all who attended!

It was a great opportunity to spark our inner creativity, bond as a team and learn in a relaxed atmosphere.
