## SigNature Sponsors The Giving

### Hearts Foundation

The inaugural Giving Hearts Foundation Gala kicked off this year in Vaughan, and SigNature is very proud to have sponsored this worthy cause. The intent for this newly created organization is to raise the much needed funds for two departments of the Sunnybrook Hospital – the Rapid Diagnosis Unit for Breast Cancer and the HDR Brachytherapy Unit. Guests enjoyed a thrilling live & silent auction, live entertainment along with a DJ, as well as a delicious meal courtesy of the venue, Hazleton Manor. The name of the Gala said it all – from the dedicated committee to the volunteers throughout, everyone generously donated their time and money to ensure people in dire need of help could receive it in a timely manner at a world-class facility. The fundraising efforts were a huge success and we look forward to their next event!

## Triumphant Living Approaches 1st Anniversary

We're quickly approaching our one year anniversary at our pride and joy in Schomberg – Triumph North. Our team is working diligently towards condo registration. On average this process typically takes 8-14 months. Notifications will be sent to your solicitor advising them when this has occurred, and the date of your final closing. Please keep in touch with them and ensure that they have current contact info to stay well informed. Thank all of you for your continued cooperation and support!
